CCDF Provider Eligibility Standards Recertification Packet

IMPORTANT!!

To continue your participation as a provider for the CCDF voucher program, you must demonstrate that you are still in compliance with CCDF Provider Eligibility Standards. A verifying visit must occur within 12 months of your previous verifying visit to avoid disruption of your participation.

No payment of CCDF voucher funds will be made to any provider or program until all provider standards have been met and a visit verifying the compliance has occurred.

TCC will conduct this verification visit and information of compliance to the provider standards will be shared with the intake agent. Failure to complete re-certification will result in your inability to continue as a CCDF voucher provider.

If, during the recertification process, TCC, discovers that you were previously certified with documentation that does not meet the state's CCDF Provider Eligibility Standards, you will be required to submit new documentation. (For example, if the drug testing was not performed by a drug testing laboratory that meets Child Care Development Fund Provider Eligibility Standards Guideline

REQUEST FOR TAXPAYER IDENTIFICATION NUMBER AND CERTIFICATION

Purpose of form: We are required to file an information return with the IRS and must get your correct taxpayer identification number (TIN) to report our payments to you.

Use Form W-9 on the reverse side, if you are a U.S. person (including a U.S. resident alien), to give us your correct TIN and, when applicable to:

1. Certify the TIN you are giving is correct.
2. Certify you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are an exempt payee.

If you do not provide us with the information, your payments may be subject to 31% federal income tax backup withholding. Also, if you do not provide us with this information, you may be subject to a $50 penalty imposed by the Internal Revenue Service per I.R.C. 6723.

Federal law on backup withholding preempts any state and local law remedies, such as any rights to a mechanic's lien. If you do not furnish a valid TIN, or if you are subject to backup withholding, the payer is required to withhold 31% of its payment to you. Backup withholding is not a failure to pay you. It is an advance tax payment. You should report all backup withholding as a credit for taxes paid on your federal income tax return.

Specific Instructions: Enter your legal name on that line. Your legal name is the one that appears on your Social Security Card or your Employer Identification Number if a business. If you are a sole proprietor, then your legal name is the business owner's name. If you have a "doing business as" (d/b/a) name, enter on the trade name line. Enter your remit address on the next line, and if you have a separate address for purchase orders enter that address on the appropriate line.

Next select the organization type for your name, check the box, and record the appropriate taxpayer identification number (TIN) in the space provided. Notice that individuals and sole proprietors are the only types with a social security number. If you are a corporation or an exempt 501(a) organization, you must answer yes or no on legal and medical services. If you are a sole proprietor you must show the business owner's name in the legal name box and the business name in the trade name box. You cannot use only the business name. For the TIN, you may use either the individual's SSN or the employer identification number (EIN) of the business. However, the IRS prefers that you show the SSN.

Finally, complete the certification section, sign and date the form.

If you are a foreign person, use the appropriate Form W-8.
